Christmas message from the Managing Director

Dear Partner and friend

The year is drawing to a close and we have so much to thank God for His blessings throughout 2022. Every beginning of the year most people and organisations set out goals, targets and achievements that need to be attained. Of course many of us can bear witness of two things that will be as a result of such goal setting:

- a) That we achieve such goals and in celebration of such achievements, we thank God and are inspired to plan and do more.
- b) We get reminded that "We may make our plans, but God has the last word", Proverbs 16:1.

The second point has many ways in which people look at. Some would think God has not answered their prayers, some would look at it as if they have failed, and some would even get angry at God because they feel God is not giving them a chance at winning or achieving.

With all these different ways in which we could view this issue, I would like for us to look more deeply into this and realise that there is more blessing in God having the final say in our lives and goals than achieving everything outside of His will and plan for our lives.

The word that encourages me the most, which pertains to dealing with how we look at achievement is 1 Timothy 4:15 "Give your complete attention to these matters, throw yourself into your tasks so that everyone will see your progress". This is to remind us that we must not grow weary when it feels like we have not achieved our goals. But we must be happy with the fact that there is progress in what we do for as long as we give complete attention to these matters. I might add that for as long as God is at the centre of our efforts.

As TBN Africa we have thrown our complete attention to spreading the Gospel through the airwaves for the entire year despite the fact that we are busy with a very exorbitant renovation exercise of our new building and studios. R5 million has since been added to the bill as the contractors found more complexities in the structure and layout of this building. As mentioned in the previous letter, the contractors discovered that the roof of the smaller studio need to be totally removed and renewed, the entire roof of the bigger studio needs waterproofing and the entire air-conditioning system for the building needs to be replaced.

With all of this we did not grow weary or worried about finances which would now deter us from our mandate of spreading the Gospel throughout Africa.

As far as outreaches and helping people of God through social investment, we worked with Paradise Bend Primary School in Diepsloot, God's Will Faith Ministries Crèche in Diepsloot. In Marikana we reached out to New Covenant Fellowship International Church, Jehova Nissi Ministries and New Creation Ministries. On the next letter where we will be looking back, I will be highlighting in detail how as TBN and you our partner have impacted these communities.

Remember, progress is the mother of all achievements. We thank you so very much for your progress in supporting the ministry of TBN as we spread the Good News. May God fulfill the desires of your hearts. Merry Christmas and a very prosperous new year.

Yours faithfully

Kayaletu Lucky Mbiko

As we begin to pick up speed going into the festive season, let us allow ourselves to pause for a moment. Give thanks to God for His tremendous blessings, especially for His Son, our Lord, Jesus Christ, the birth of whom we're all eagerly preparing to celebrate. Invite the Holy Spirit to use each of us to show God's love to those who are in desperate need of it. Have yourselves a blessed Christmas.

PHINDILE

Let this Christmas be filled with Joy and Happiness. We wish you well as you take a trip to your preferred destination, to relax and spend time with your families and loved ones. Let's reflect and thank God for being faithful. Make every minute count and let's celebrate and share the love of Christ. Merry Christmas

KUNDAI

I write this message with a mind & heart of gratitude for the greatest miracle of all. An Omniscient God sent His perfect Beloved Son to earth. A baby that would be born in the most humble of circumstances, a perfect baby that would grow into a perfect man. God "so loved the world" that He sent His Son to redeem us, to save us from our sins, to love us. May we thank our Father for his son Jesus! Wishing You a Joyous Christmas, xxx."

COLLEEN

Wishing you a fun-filled Christmas season and best wishes for a Happy New Year! May the spirit of the season fill your home with love and laughter.

SIDWELL

The season is upon us again, the season when the hope of the world was brought to us. This year let us all remember that not all is lost, but the one who came 2000 years ago to give us hope still gives it even today. Let our hope rest in Him. Emmanuel, God is with us!

Where we going

December Gift of the Month

If you stop to think about it, it is astounding that the simple, unassuming birth of a peasant baby boy more than two thousand years ago in the Middle East changed the course of history. The night Jesus was born in Bethlehem, a small group of poor shepherds were quietly tending their flocks of sheep in a nearby field, looking up at the stars. Nothing seemed any different from a thousand other nights. But what was about to happen would transform not only their lives but billions of other lives as well. The world would never be the same again.
