## Fohloza Foundation Documentary

TBN Africa had the honour and privilege to partner with the Fohloza foundation and create a beautiful Documentary on the life and times of Mizriam and Mercy Mseleku.

Mizriam Mseleku began his ministry of healing sick people and casting out evil spirits in the early 1900's, as well as preaching the Gospel of the Kingdom. He was a brave evangelist and would travel to areas that people feared to go. Many were turned to the Lord, the sick were instantly healed as he laid his hands on them in the name of the Lord Jesus.

Mercy Mseleku was a prayer warrior, intercessor, a teacher of the word of God, a counsellor and a healer. She was tirelessly supporting those who were in need or vulnerable. She was loving, caring, giving and supportive to all her children and those who came to know her. They served the Lord diligently in the Ministry of African Gospel Church, and planted more than hundred churches in South Africa and in the SADC Region.
