Letter from the Managing Director

# Let us Build

**D**ear Beloved

Our message for this month is based on the theme, 'Arise and Build' which comes from the book of Nehemiah (2:20). It describes how God led the people of Israel in the task of rebuilding the walls of Jerusalem. It happened at a time when the captivity of the Jews had already come to an end. They were allowed to return to Israel to rebuild their nation. Many Jews did return and they began to inhabit the villages in Israel. However, because of constant opposition from their enemies who lived around them, the progress of rebuilding the city of Jerusalem was greatly hindered, and the outer walls of the city in particular were still in ruins.

As He is raising us now to build, God also raised up a man called Nehemiah to do this work. Nehemiah was a high ranking Jewish official who lived in the Royal Persian court. But he was sad when he heard news that the walls of Jerusalem were still in ruins. The Lord put a burden in his heart to pray for this need. After about 4 months his prayers were answered when the Persian King allowed him to go to Jerusalem.

After surveying the walls at night, he gathered all the leaders of the Jews together to share with them his burden for building the walls. What he said to them challenged them so well that without any hesitation they all said with one voice, 'Let us rise up and build.' (2:18). This is exactly what we are saying to you as our partner. God has given us this building in Lonehill, this building came to us as a fulfilment of a prophecy that it will be on a hill, next to a tower, a tower that symbolises spreading the Gospel of Go to the entire Africa.

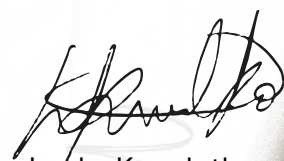

beloved, that is the kind of spirit we ought to have when we do the Lord's work today - We must have a strong resolve to commit ourselves fully to the work. Today, the work is not just that of building these studio facilities.

Our work is also that of building up the lives of people spiritually. This work includes evangelism, discipleship, production and broadcasting the gospel on any technological device that God gives us .

Every precious soul that is saved from sin by trusting in Jesus Christ needs to be moulded and shaped through the process of spiritual growth to take their place as 'lively stones' in God's building. Dearly beloved, there is really so much that needs to be done in God's kingdom, and thus far we have only scratched the surface. And we should not allow any let up or delay in this work because precious souls are perishing out there even as we sit here reading this letter.

As a token of appreciation for your support towards building our studios, we would like to give you as a gift, a book about healing scriptures written by pastor Joseph Prince. Healing builds us mind, body and soul.

Yours in Christ
