JOHN 3:16 (NKJV)

For **God** so loved the world,
that He gave His only begotten
Son, that whosoever believes in
Him should not perish, but have
everlasting life.

Tribute to Dr. Basil Tryon

The Legacy of a Father's Father

We give tribute to the legacy and life of a Pioneering Father and General in the Faith, Dr. Basil Tryon.

His legacy of love is captured in the powerful love story between him and his wife Dr. Anne Tryon (Ma Anne). It's a love story of over 5 decades that even death has no power to end.

He was a father to his 4 children, 1 daughter in law and 2 son in laws, and had 6 grandchildren and 1 great granddaughter.

Dr. Tryon was a General of Faith in the Body of Christ and was a Spiritual Father and Apostolic covering to many and a Father to fathers across the globe. His Apostolic Grace of Faith operated on a dimension beyond human understanding, and natural limitations, and manifested in empowering the body of Christ to being "Blessed to be a Blessing"!

His Love for People was the passion that fuelled his global ministry impacting all people from Children to Presidents.

Dr. Tryon lived out the Word of Faith he preached and impacted generations to transcend environmental, social, economic and religious limitations.

He, together with Dr. Anne Tryon, founded New Covenant Fellowship. His God given vision and mandate was to empower people to obliterate poverty in their lives accordingly to Genesis 1:28.

This was demonstrated in him leaving a legacy of a debt free facility valued at over 120 million rand. This facility provided an environment where people can be empowered to "be who they have never been, to go where they have never gone and to have what they have never had".

Dr. Tryon has handed us a baton to build on the many sacrifices he made, to harvest the seeds he has sown and live out the revelation he has imparted to us. We stand on the shoulders of a Giant of Faith and this allows us to increase, enhance and strengthen the legacy he built on Christ Jesus, so that the generations to come will go even further and do greater with "Faith to Inherit the World".

50 years

Paul and Jan Crouch heard the still small voice of God and stepped out in faith. Leaving secured jobs and steady pay checks, they acquired a small tv station. Their vision was to erect satellites around the world which he called "Angels". Today TBN has grown and has encircled the entire globe with the Love of Jesus. Since 1973 TBN has been broadcasting the good news of Jesus across America and around the world.

TBN Africa honours the legacy that Paul and Jan Crouch have left, bringing so many souls to come to know Jesus Christ as Lord and Savior. We have many African Leaders and people in general that have powerful testimonies of how TBN has fed them with the good News of Jesus and still continuing to do so even today. We at TBN Africa sit here in awe of what God has done through this channel.

We are privileged to be part of this great mandate that God gave them; that this gospel of the kingdom will be preached in all the world as a witness to all the nations, and then the end will come. Matthew 24:14. As TBN Africa we hold that baton from Cape to Cairo and around the world.

TBN Networks is Celebrating 50 Years of God's Faithfulness and has specially produced a hardcover coffee table book filled with stunning photography, memorable stories, and moving reminiscences that will take you right to the centre of TBN's rich history and ongoing mission to touch every corner of the earth with God's love.
