# Spring

EDITION

# Gift of the Month

Christians today face relentless attacks from an ungodly culture, a formidable spiritual adversary, and our own fallen natures.

Yet we cannot afford to surrender to these very real enemies. Because if we do, we fail in our mission to share the hope of Christ with the world.

Just as survivalists use strategies to overcome threatening situations, *Courageous* explains ten biblical strategies for surviving—and thriving—in a world that is hostile to our faith.

If you feel like your faith is under attack, if you're struggling with the temptation to follow the crowd despite biblical teaching to the contrary, or if you're just feeling weary, the ten strategies in *Courageous* will provide fresh fire and new hope.

—LT. COL. OLIVER NORTH, USMC (Ret.)

"It's one thing to say we have faith and another thing entirely to know how to live out that faith! In *Courageous*, my friend Robert Jeffress beautifully helps us understand how to put our faith into real action in our lives—which is, of course, the whole point!"

—ERIC METAXAS, author of the #1 New York Times bestseller *Bonhoeffer: Pastor, Martyr, Prophet, Spy* and host of The Eric Metaxas Radio Show
